

BULLYING PLEDGE

YOUTH

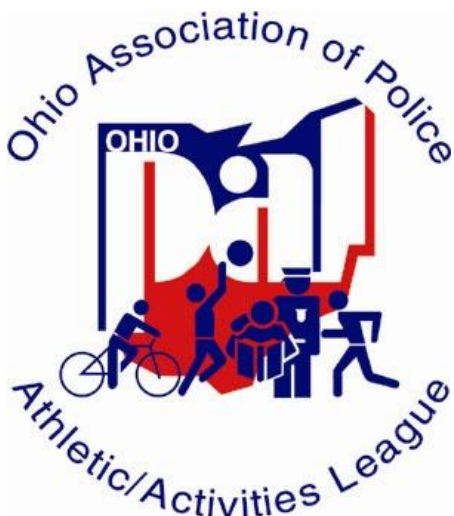

Bullying makes every day hard, It makes people feel isolated, unimportant and afraid to go to school. I have the power to stop bullying by getting involved in few specific ways. **Here is my Pledge:**

I will speak up... I will take a stand when I see kids humiliating or hurting each other. I will talk about bullying with my friends and the adults in my life, so everyone knows I think its wrong.

I will advocate... I will stick up for others who might be in need of my help, and not just my closest friends.

I will be a role model... I will not use my cell phone or computer to spread rumors or say hateful things, and I wont ignore it when others are cruel and intimidating.

Stopping bullying begins with me. Taking this pledge can change someone's life in a meaningful way.
